### Dear Colleagues

The International Actuarial Association Health Section Colloquium is being held in Cape Town from 13 to 16 May 2007, with the theme "Change is the only constant". Our colloquium is open to anyone with an interest in health care (not only to actuaries), and as you will see from the attached programme, will include a wide variety of interesting topics. We are excited about the quality and number of international speakers that we have been able to attract to South Africa, and this promises to be a colloquium of the highest standard. In addition, there is an excellent social programme for delegates and partners.

Should you be interested in attending, please see all the details on our website .

We hope to welcome you to Cape Town and the IAAHS 2007 Colloquium!

Yours sincerely,
