PROGRAMME NEWS

The IAAHS 2007 Scientific Programme is almost final and we invite you to visit the website to see the scheduled topics and speakers. Plenary and Parallel sessions are planned, and the programme includes sessions designed by each of the IAAHS Topic Teams.

Confirmed speakers include:

Dr Kathryn Antioch from Australia on risk adjustment in health financing internationally
Dr Wynand van de Ven from Erasmus University Rotterdam on risk equalisation systems
Professor Angus Macdonald of Heriot-Watt University on genetics and health insurance
Professor Tim Noakes from the Sports Science Institute in South Africa

REGISTRATION AND ACCOMMODATION

Registration is open - register online with a credit card, or download the fax-back form. If you'd like a registration form sent to you, please email the Colloquium Secretariat: info@iaahs2007.com

Don't forget that you can also reserve your accommodation when you register. If you'd like to stay at one of the official colloquium hotels, you'll benefit from a reduced room rate, and the Colloquium Secretariat will make all of the arrangements for you.

The Early Registration Discount ends 16th February 2007, so register now and don't miss the opportunity to receive a substantial discount on fees.
